There will be a special rank advancement clinic again this year to help those Scouts who are working on first class and earlier ranks. First class rank and above will be given preference in merit badge classes so they can complete their ranks. A LIFE AFTER LIFE class will be held during first period on the 3<sup>rd</sup> to provide Eagle Rank preparatory information for Life Scouts and their leaders.

The rank advancement clinic will cover 8 requirement areas, 4 each day. There will be 4 merit badge sessions on each of 2 days. Each unit **MUST** have an adult leader present to receive the registration packet and monitor your unit. Be prepared to assist with your boys' rank advancement.

## ***PROCEDURES:***

1. Registration deadline is February 13th, classes are filled on a first come first served basis so anyone applying late may find their first choice classes full and closed.
2. Scouts are pre-registered into classes. Units receive class assignments already made out. The adult representative of each unit will pick up master list and class assignment sheets for each Scout at the check in desk on March 3. Sign-ups that come in early may pick up info at the February roundtable.
3. Collect fees in your unit and turn them in with your registration. To allow more boys their choice of classes, please avoid registering Scouts who will be unable to attend.
4. The First Aid class will take 2 class sessions. These Scouts will only have time for 3 classes. First Aid students will need to wear a neckerchief. You need to be there both weeks for this class.
5. Blue cards may not be signed off during class so be sure to complete troop numbers and address clearly to ensure their proper return. Scouts are expected to make note of counselor names and numbers.

It is important for each Scout to read his Scout book or merit badge book and prepare in advance for his classes.
